EXPERIENCE

Owner & Umpire — Peaks To Prairie
2018 – present

- Umpire on appraisal panels for residential and commercial claims; solo and full-panel inspections.
- Reviews both appraisers' estimates line by line and issues award estimates and awards.
- Party appraiser for both insureds and insurers; licensed public adjuster in nine states.
- Specialist in hail and ice losses and in slate, tile, wood shake, flat and laminate roof systems.

Sr. Account Analyst — KeyBank N.A.
2015 – 2018

- Risk review and analysis for structured finance and middle-market lending; built and audited financial models.

Field Operations — Oil & Gas
2011 – 2015

- Team leadership and heavy equipment operation under extensive OSHA safety training.

Residential Builder — Maslak Construction
2003 – 2010

- Custom home construction from foundation to completion; roofing systems from demolition to install.
